Draw your flag!

When doing this homework with your child, please support them by doing the following

- Show your child your national flag
- Ask them to choose out the same colours
- Encourage them to spot any shapes or patterns on the flag
- Support them to copy the flag by drawing the shapes or patterns
- Talk to them about where you are from, encourage them to ask questions.

Please encourage your child to complete this homework independently. Please also state any support given in this box:
