Homework challenge

This week's homework is to complete two good deeds. These can be however simple or creative as you like.

Examples- Help carry shopping or help give some old toys/clothing to charity.

Draw or show pictures of the two good deeds you did and label them below!

A large, empty rectangular box with a yellow border, designed for a child to draw a picture of a good deed. The top right corner of the box is cut off at a 45-degree angle.A small, empty rectangular box with a yellow border, intended for labeling the first good deed.A large, empty rectangular box with a yellow border, designed for a child to draw a picture of a good deed. The top right corner of the box is cut off at a 45-degree angle.A small, empty rectangular box with a yellow border, intended for labeling the second good deed.

To support your child with this homework, talk to them about different things they can do and encourage them to think of their own. If they have siblings get them involved too. Once they have two ideas support them to carry them out and if you can, take a picture. If not, challenge them to draw into the boxes using shapes and lines.

When sticking on the picture, encourage them to try and sound out the words, e.g. 'charity' or 'help shopping' and find the first letters of the words. Challenge them to join dots, trace or write their own letters into the boxes.

Please encourage your child to complete this homework independently. Please also state any support given in this box:

Thank you
